

Medicare Bulk Billing Practice signage and information for patients about eligible services

Medicare Bulk Billing Practice signage

Large decal 1,000mm wide x 680.7mm high

Small decal 600mm wide x 408.4mm high

The decals are printed on white vinyl with removable adhesive backing. The large decal can be used on large internal or external glass windows and internal walls. The small decal can be applied to internal or external doors and windows as well as internal walls.

General A3 posters 297mm wide x 420mm high

Option 1

Option 2

Posters are printed on 170gsm satin paper. They can be applied to entrance, waiting room or reception areas.

Information for patients about eligible services

Consumer A3 poster 297mm wide x 420mm high

Our Medicare Bulk Billing Practice bulk bills eligible GP services, including:

- GP consultations
- Chronic condition management plans and reviews
- Mental health treatment plans
- Health assessments.

Fees may apply for non-eligible services, including:

- Procedures like skin excisions
- Diagnostic services like ECG and pathology
- Allied health and other non-GP services
- Non-MBS services
- Patients without a Medicare number.

For more information, please ask your practice staff.

Posters are printed on 170gsm satin paper.
