Disability and Ageing**

# **Bulk Billing Practice Incentive Program – Opt-back-in declaration**

10 February 2026

## Purpose

This is a downloadable version of the Bulk Billing Practice Incentive Program (BBPIP) opt back in declaration. To re-register for BBPIP, please visit [Services Australia website](#).

BBPIP aims to support practices and GPs to provide bulk billed care and make it easier for patients to access affordable care where cost is not a barrier to access.

More information about BBPIP, including practice and provider eligibility requirements, can be found on the [Department of Health, Disability and Ageing website](#).

To order your Medicare Bulk Billing Practice signage, please visit [health.gov.au/BBPIP](http://health.gov.au/BBPIP).

To register your practice in Healthdirect Australia's National Health Services Directory, please visit [healthdirect.gov.au/australian-health-services](http://healthdirect.gov.au/australian-health-services).

## BBPIP Opt-back-in declaration

By ticking the box and clicking 'confirm', the practice agrees to re-enter into a grant agreement with the Commonwealth on the following terms:

- I confirm that I have the authority to bind the practice.
- This agreement commences on the date the practice agrees to the terms and conditions by clicking 'confirm' and continues until the earlier of:
  - a new grant agreement is entered, which will supersede this agreement 12 months after the commencement date, on a yearly renewal basis; or
  - the date that the practice opts-out of BBPIP; or
  - the date that the Commonwealth terminates this grant agreement.
- The practice must meet, and continue to meet, at all times:
  - the eligibility requirements of the MyMedicare program set out in the [MyMedicare Guidelines](#); and
  - the eligibility criteria of BBPIP set out in the [BBPIP Guidelines](#)
- The practice must ensure all providers have been linked on the organisation register to the practice participating in BBPIP.
- The practice acknowledges payments will start from the payment quarter following the date the practice opts back in.
- The practice must meet the Healthdirect National Health Service Directory (NHSD) and signage requirements (outlined in [BBPIP Healthdirect and Signage Requirements](#) on the department's webpage).
- The practice acknowledges that incentive payments will start from the payment quarter following the date the practice has met all eligibility requirements and been approved for BBPIP.
- The practice must comply with the obligations and requirements set out in the BBPIP Guidelines as set out at [MyMedicare BBPIP](#) (as updated from time to time) which form part of this grant agreement.

- The practice must only use payments for the purposes permitted under the BBPIP Guidelines.
- The practice must repay any incorrect payments or overpayments to the Commonwealth including after expiry or termination of this agreement.
- If any of the payments are spent other than in accordance with this grant agreement (including the BBPIP Guidelines), the practice must repay the amount unless otherwise agreed in writing by the Commonwealth.
- The Commonwealth may reduce any future payments to the practice by any amounts owed or due to be repaid by the practice.
- Payments will be made to the practice and providers in accordance with the BBPIP Guidelines.
- The Commonwealth may immediately terminate this grant agreement where the practice has:
  - failed to comply with its obligations under this grant agreement or the BBPIP Guidelines; or
  - become bankrupt or insolvent, entered into a scheme of arrangements with creditors, or come under any form of external administration.
- The practice acknowledges that BBPIP incentive payments are made by Services Australia to the practice and providers in reliance on the information provided by the practice.
- I confirm that the information I am providing is true and correct, and I understand that giving false or misleading information is a serious offence.
