## USA Entry - Mobile Passport Control

**Simplify your entry into the United States with Mobile Passport Control - click here to read more.**

<https://www.cbp.gov/travel/us-citizens/mobile-passport-control>

## Passport, Visas and Travel Warnings

A valid passport is required for international travel. Immigration authorities may refuse entry if you have less than 6 months validity on your passport. Ensure the name on this itinerary matches the passport name because if it does not, you may be refused travel. Please advise your travel consultant if you are not travelling on an Australian passport as you may require a reentry visa for Australia.

Please ensure you have any applicable Visas for the countries you are visiting or transiting. It is your responsibility to obtain correct Visas documentation. Visa information can be obtained from [www.cibtvisas.com.au](http://www.cibtvisas.com.au) or by contacting your travel consultant for information. It is also recommended that you check [www.smarttraveller.gov.au](http://www.smarttraveller.gov.au) for health and consular travel warnings for all destinations.

## Ticketing Policy

Our CTM business standard is to issue airline tickets 1 business day prior to the airline time limit advised on your itinerary and inside your online booking tool. This is to help ensure there are safeguards to protect for challenges such as when credit cards decline.

When there are instances of multiple tickets and multiple airline ticketing dates, CTM will issue all tickets in accordance with the earliest date shown. Please note there may be instances where CTM will need to issue your ticket earlier than the recommended date. For example, when airlines request that ticketing occur earlier than the recommended ticketing time limit.

## Important Information

**Baggage** - Please refer to respective airlines and destination airports for further information on baggage allowances and restrictions, security measures and quarantine items, or contact your travel consultant prior to travel.

**International Check In** - For international flights departing from Australia, and domestic sectors of flights departing from international terminals make sure you have checked in by the checkin deadline specified in your airline documentation, or if no deadline is specified, then at least 120 minutes prior to scheduled departure for Economy Class or at least 90 minutes prior to scheduled departure for First or Business Class. Failure to do so may result in cancellation of your reservation.

**What items can I pack in my carry-on baggage?** Some countries have made changes to security measures at airports. If you are travelling in any of these countries, these measures will affect what you can carry on board an aircraft on international flights. To get the most up to date information, visit the Australian Government's travel security website: <https://www.homeaffairs.gov.au/travelsecure-subsite/Pages/Items-you-cannot-take-on-plane.aspx>

## Passport, Visas and Travel Warnings

A valid passport is required for international travel. Immigration authorities may refuse entry if you have less than 6 months validity on your passport. Ensure the name on this itinerary matches the passport name because if it does not, you may be refused travel. Please advise your travel consultant if you are not travelling on an Australian passport as you may require a reentry visa for Australia.

Please ensure you have any applicable Visas for the countries you are visiting or transiting. It is your responsibility to obtain correct Visas documentation. Visa information can be obtained from [www.cibtvisas.com.au](http://www.cibtvisas.com.au) or by contacting your travel consultant for information. It is also recommended that you check [www.smarttraveller.gov.au](http://www.smarttraveller.gov.au) for health and consular travel warnings for all destinations.

## Ticketing Policy

Our CTM business standard is to issue airline tickets 1 business day prior to the airline time limit advised on your itinerary and inside your online booking tool. This is to help ensure there are safeguards to protect for challenges such as when credit cards decline.

When there are instances of multiple tickets and multiple airline ticketing dates, CTM will issue all tickets in accordance with the earliest date shown. Please note there may be instances where CTM will need to issue your ticket earlier than the recommended date. For example, when airlines request that ticketing occur earlier than the recommended ticketing time limit.

## Important Information

**Baggage** - Please refer to respective airlines and destination airports for further information on baggage allowances and restrictions, security measures and quarantine items, or contact your travel consultant prior to travel.

**International Check In** - For international flights departing from Australia, and domestic sectors of flights departing from international terminals make sure you have checked in by the checkin deadline specified in your airline documentation, or if no deadline is specified, then at least 120 minutes prior to scheduled departure for Economy Class or at least 90 minutes prior to scheduled departure for First or Business Class. Failure to do so may result in cancellation of your reservation.

**What items can I pack in my carry-on baggage?** Some countries have made changes to security measures at airports. If you are travelling in any of these countries, these measures will affect what you can carry on board an aircraft on international flights. To get the most up to date information, visit the Australian Government's travel security website: <https://www.homeaffairs.gov.au/travelsecure-subsite/Pages/Items-you-cannot-take-on-plane.aspx>

A valid passport is required for international travel. Immigration authorities may refuse entry if you have less than 6 months validity on your passport. Ensure the name on this itinerary matches the passport name because if it does not, you may be refused travel. Please advise your travel consultant if you are not travelling on an Australian passport as you may require a reentry visa for Australia.

Please ensure you have any applicable Visas for the countries you are visiting or transiting. It is your responsibility to obtain correct Visas documentation. Visa information can be obtained from [www.cibtvisas.com.au](http://www.cibtvisas.com.au) or by contacting your travel consultant for information. It is also recommended that you check [www.smarttraveller.gov.au](http://www.smarttraveller.gov.au) for health and consular travel warnings for all destinations.

**Ticketing Policy**

Our CTM business standard is to issue airline tickets 1 business day prior to the airline time limit advised on your itinerary and inside your online booking tool. This is to help ensure there are safeguards to protect for challenges such as when credit cards decline. When there are instances of multiple tickets and multiple airline ticketing dates, CTM will issue all tickets in accordance with the earliest date shown. Please note there may be instances where CTM will need to issue your ticket earlier than the recommended date. For example, when airlines request that ticketing occur earlier than the recommended ticketing time limit.

**Important Information**

**Baggage** - Please refer to respective airlines and destination airports for further information on baggage allowances and restrictions, security measures and quarantine items, or contact your travel consultant prior to travel.

**International Check In** - For international flights departing from Australia, and domestic sectors of flights departing from international terminals make sure you have checked in by the checkin deadline specified in your airline documentation, or if no deadline is specified, then at least 120 minutes prior to scheduled departure for Economy Class or at least 90 minutes prior to scheduled departure for First or Business Class. Failure to do so may result in cancellation of your reservation.

**What items can I pack in my carry-on baggage?** Some countries have made changes to security measures at airports. If you are travelling in any of these countries, these measures will affect what you can carry on board an aircraft on international flights. To get the most up to date information, visit the Australian Government's travel security website: <https://www.homeaffairs.gov.au/travelsecure-subsite/Pages/Items-you-cannot-take-on-plane.aspx>
