my **medicare**

Your GP is registered for MyMedicare you can register too

When you register for MyMedicare, you may be able to access longer Medicare - subsidised telehealth consultations with your usual GP for managing chronic conditions. This includes access to bulk-billed longer telehealth consultations, where eligible, for children under 16 and Commonwealth concession card holders.

It's free and voluntary to register, and registration is open to Australians with a Medicare card or Department of Veterans' Affairs Veteran Card.

Talk to your regular general practice or GP about registering in MyMedicare, or find out more at health.gov.au/mymedicare
