

Support at Home program – classifications and budgets

July 2026

When you are assessed as eligible for the Support at Home program, you will be assigned a classification based on your needs.

Support at Home has 8 classifications for ongoing services and these are linked to different levels of care. The more care you need, the higher your classification will be. Each classification has a quarterly budget.

Along with the 8 ongoing classifications, there are 3 short-term classifications.

- The **Restorative Care Pathway** can help you maintain and improve your independence through primarily allied health services.
- The **End-of-Life Pathway** can provide older people diagnosed with 3 months or less to live with dedicated funding to access services to remain at home.
- The **Assistive Technology and Home Modifications (AT-HM) scheme** for separate funding for products, equipment and home modifications.

How do I know what my classification is?

Following approval for Support at Home, you will receive your assessment outcome letter and support plan to share with your provider. This will include your classification and your budget.

The assessment outcome will include:

- a summary of your aged care needs and goals
- a classification and your ongoing quarterly budget
- a list of your approved services if eligible, your classification and budget for short-term supports (AT-HM scheme, Restorative Care Pathway, End-of-Life Pathway).

What is the funding for each classification?

The table below outlines the funding amounts for each of the Support at Home classifications. The quarterly budgets and annual amounts are effective from 1 July 2026 and are subject to change in July each year in line with indexation.

Classification	Quarterly budget	Annual amount
1	\$2,752.50	\$11,010.01
2	\$4,112.84	\$16,451.35
3	\$5,634.20	\$22,536.81
4	\$7,617.13	\$30,468.51
5	\$10,182.38	\$40,729.53
6	\$12,341.32	\$49,365.27
7	\$14,915.00	\$59,660.00
8	\$20,034.28	\$80,137.12
Restorative Care Pathway	~\$6,000 (for up to 16 weeks) May be increased to ~\$12,000 when eligible	
End-of-Life Pathway	~\$25,000 (for up to 16 weeks)	
Assistive Technology and Home Modifications scheme	Low, medium or high funding tiers as assessed	

Former Home Care Package care recipients

Former Home Care Package (HCP) care recipients were automatically approved for Support at Home when the program started. They moved to a transitional Support at Home classification with the same funding level as their HCP classification.

HCP classification	Support at Home classification	Support at Home quarterly budget	Support at Home annual amount
HCP Level 1	Transitioned HCP Level 1	\$2,818.04	\$11,272.15
HCP Level 2	Transitioned HCP Level 2	\$4,955.44	\$19,821.76
HCP Level 3	Transitioned HCP Level 3	\$10,787.18	\$43,148.74
HCP Level 4	Transitioned HCP Level 4	\$16,353.98	\$65,415.91

What are quarterly budgets?

Your assigned annual budget will be split into 4 quarterly budgets.

You will have access to the full amount of your quarterly budget at the start of each quarter. If you join Support at Home during the middle of a quarter, you will receive a pro-rata amount.

You can spend your budget on services that you need in line with your assessment outcome and support plan.

Who will manage my budget?

Your budget will be held by Services Australia on your behalf. This means you will not need to manage the expenses yourself.

Your provider will work with you to decide how you want to spend your budget across your approved services.

What if I have HCP unspent funds?

If you had unspent HCP funds, you kept these when you transitioned to Support at Home. These can be used for assistive technology and home modifications, if approved.

You can also put your unspent funds towards your ongoing services once your quarterly budget has been used in full. There are no caps on the amount of HCP unspent funds that you can use.

Can I see how my budget is being spent?

Each month, your provider must issue you with a monthly statement. This is an itemised statement that shows how your budget has been spent, your current budget and the contributions you have made.

Will I have to contribute?

You may need to contribute towards the cost of some Support at Home services and the government will fund the rest. These are called participant contributions.

To learn more, visit: [MyAgedCare.gov.au/support-at-home-costs-and-contributions](https://myagedcare.gov.au/support-at-home-costs-and-contributions)

Can I accrue funds under Support at Home?

You will be able to save some funding between quarters if you are receiving ongoing services. These accrued funds can be used to meet any of your unplanned needs. For example, if you have an informal carer and they are away on holiday.

The amount you can carry over will be capped at \$1,000 or 10% of your quarterly budget, whichever is higher.

For more information

To find out more about Support at Home, visit: [MyAgedCare.gov.au/aged-care-programs/support-at-home-program](https://myagedcare.gov.au/aged-care-programs/support-at-home-program)

If you have questions or concerns about your aged care, including Support at Home, you can speak to an aged care advocate by calling the **Aged Care Advocacy Line on 1800 700 600**. Provided by the Older Persons Advocacy Network (OPAN), this free and confidential service is independent of both government and aged care providers. OPAN will connect you with a local advocate in your state or territory.
