

National GP Bulk Billing Snapshot – April to June 2026

Bulk billing refers to services where the GP accepts the Medicare benefit as full payment and the patient does not incur an out-of-pocket cost. Any Medicare-eligible patient can be bulk billed for a GP service under Medicare. This dashboard provides a snapshot of bulk billing for GP non referred attendances (GP NRA) and Medicare Bulk Billing Practices (those registered for the Bulk Billing Practice Incentive Program) for the April to June 2026 reporting quarter.
