

LIFE SAVING DRUGS PROGRAM EXPERT PANEL
24th MEETING: 9 OCTOBER 2026

AGENDA

1. Standing business

- Welcome and acknowledgement of country
- Apologies and Conflicts of Interest
- Update from the Secretariat on action items from previous meeting
- Discuss Expert Panel correspondence
- Updates from the Secretariat on a range of matters

2. Other business

- Consideration of Medical Services Advisory Committee advice on newborn bloodspot screening for mucopolysaccharidosis types I and II and its recommendations to review the eligibility criteria for treatment with medicines funded under the LSDP.
- Discussion: Value and feasibility of 24-month medicine reviews for ultra-rare, low-use LSDP medicines.

Note: No applications for new listings or medicines under review will be discussed at this meeting.
