Expression of Interest – SES Band 2 Access & Home Support Division, Ageing & Aged Care Group

Dear Colleagues

Expressions of interest are sought from substantive SES Band 1 and 2 officials for the role of **First Assistant Secretary, Access & Home Support Division within the Ageing & Aged Care Group**. This is an opportunity for an initial period of up to **6 months with the possibility of extension**. Ideally, the candidate will need to be available to commence at the **end of June**. The EOI may be used for filling other Band 2 vacancies as they arise.

Division Overview

The Access and Home Support Division supports access to aged care for older Australians. The division's reform work improves aged care navigation and access, assessment and aged care services delivered at home. This includes:

- Ensuring My Aged Care channels support navigation and understanding of the aged care landscape and issues resolution
- The design, development, and implementation to establish a single Support at Home program which will replace the Home Care Packages, Short Term Restorative Care and eventually the Commonwealth Home Support Programme,
- Rolling out a new single aged care assessment workforce
- Developing, implementing, and managing efficient, effective, and sustainable funding programs for home care.

How to Apply

Applicants are required to provide a CV and a short pitch of no more than 500 words demonstrating their suitability for the role, as well as two referees. Referee checks will include consideration of how an applicant demonstrates the behaviours of the Secretaries Charter of Leadership behaviours and APS Values in addition to achieving

outcomes. Referees will be asked to provide a summary of the candidates last two performance ratings and comments. Applications can be submitted directly to SES Support [s47E\(d\)@health.gov.au](mailto:s47E(d)@health.gov.au)

Applications close **5pm Friday 20 June 2025.**
