Registered providers with an exemption from the 24/7 registered nurse requirement

In accordance with subsection 175(5) of the *Aged Care Act 2024,* the System Governor (or delegate) is required to make information publicly available about an exemption, if a decision is made to grant a registered provider an exemption from the 24/7 registered nurse (RN) requirement in respect of an approved residential care home.

As a condition of an exemption, providers must:

- notify the Department of Health, Disability and Ageing in writing to exemptions@health.gov.au of any material changes to the information provided in the application for the exemption, including any additional information the delegate has requested.
- tell individuals in the approved residential care home about the exemption, the period of exemption, and alternative arrangements in place.

See Exemption from the 24/7 registered nurse requirement for aged care for more information about exemptions.
