Dear FOI Team

Last week I discussed the release of the materials referenced below with s22

s22 advised me:

- that if the material was not released to me by COB on Friday, it would be released to me today;
- that the Department had received notice of my OAIC complaint relating to it's failure to disclose relevant material on its Disclosure Log;
- that the Department was urgently working towards uploading the relevant material onto its Disclosure Log;
- that there was a continuation plan in place to manage his work while he is on leave.

The material I have requested is already in the public domain. However, it is yet to be provided to me, despite that I made the relevant request 13 days ago.

Dear s22

Thanks for your email.

I would appreciate if you would also ensure that the FOI release dates recorded on the FOI Disclosure Log are accurate.

It appears that with respect to some of the more recent entries, the FOI release date is incorrect. For others, the release date was entered as being the date they were uploaded onto the Disclosure Log and then changed to an earlier date.

Thanks

Further to my email below, I note that a disclosure entry for FOI 27-3513, which relates to the IAT, has not been uploaded onto the Disclosure Log, despite a relevant decision being released on 27 August 2026.

Similarly, there is no disclosure entry for FOI 27-3402, which relates to the NDIS, on the Disclosure Log, despite a relevant decision being released on 17 August 2026.

Please advise how many of the Department's Disclosure Log entries are past due and remain outstanding.

Good evening s22

Thank you for letting me know that the Department has uploaded the below document packages.

I note that these are the document packages referenced in my complaint to the OAIC, and one of the packages uploaded was from May 2026, having been released **119** days prior to it being recorded on the Disclosure Log.

As discussed by telephone, other people have reported to me that other FOI document packages released by the Department through the Right to Know website have not been disclosed on the FOI Disclosure Log, including documents relating to the NDIA.

Please confirm whether all outstanding FOI document packages released by the Department, which have passed the 10-day window for publication on the Disclosure Log, have now been uploaded.
