Designated Registered Nurse Prescribing National Implementation Oversight Group

Meeting #8 Communique - 14 September 2026

The Implementation Oversight Group (IOG) met for the eighth time to guide the national roll-out of designated RN prescribing. Key items discussed at the meeting were:

- Updates from ANMAC on accredited designated RN prescribing programs.
- Update from Ahpra/NMBA on endorsed prescribers by jurisdiction.
- Communications activities undertaken to date and consideration of communications activities moving forward as the program enters the implementation phase.
- Publication of resources for vendors to support PBS system alignment for designated RN prescribing, available on the Commonwealth's webpage.
- Updates to the program risk and issue register.
