The Ministerial Drug and Alcohol Forum (MDAF) is co-Chaired by the Commonwealth Ministers with portfolio responsibility for alcohol and other drugs (AOD), and justice/law enforcement.

Membership consists of two Ministers from each jurisdiction, one each from the health/community services portfolios (with AOD policy responsibilities) and one from the justice/law enforcement portfolios.

The Commonwealth's reps are Minister Hunt and Minister Taylor.

A key item that is due to be discussed on the next MDAF teleconference is the draft National Alcohol Strategy (NAS).

As part of our work with the NAS and feedback received from stakeholders (particularly alcohol industry), Minister Hunt has committed to holding a stakeholder consultation group.
