Subject: ASADA - Letter to Minister Ley from ASADA CEO advising overseas travel [DLM=For-Official-Use-Only]

s22

The letter to Minister Ley from the ASADA CEO advising of overseas travel and seeking the appointment of an Acting CEO appears to have been sent on 27 March 2014. However, like you we have no record of receiving it.

Ideally, ASADA has requested an acting appointment from tomorrow (28/4). This would allow the Acting CEO to issue show cause notices this week rather than waiting for Ben to return from Montreal. ASADA describes the need for an Acting CEO as highly preferable but not catastrophic if it does not occur.

We are able to provide the paperwork through PDMS tomorrow (as well as an advanced copy). We will insert the date of the Instrument to be the commencement date to avoid any retrospectivity.
