Experience Centre - Questions and Answers

Throughout December and January, many of you have taken the opportunity to tour [the Experience Centre](#) located on level 6 of the Sirius building. The Experience Centre contains a variety of workspaces for staff to trial and assist Health implement a modern and flexible working environment for the future.

Throughout the tours, staff have left feedback and questions about the space. Your feedback is important to us and we have considered your views, questions and experiences carefully. Throughout the feedback received we identified five key themes around storage, hot desking, director's offices and the broader roll out.

- Peter Noakes, Director of Corporate Support, Procurement, Property and Capital Works, took some time out to answer these common questions in a video message, which you can watch below.
