

New Ways of Working: Truth or Myth

ABW is hotdesking

I have to constantly move around

I can't sit with my team

I won't be able to find my team as they will be sitting all over the place

Everything has to be done digitally, no paper

Adopting the new way of working won't happen overnight

ABW always saves money for businesses

Trust will be a key value in NWOW

Sometimes the way you lead may have to change

If you ever feel confused...

**Think about
how your home
is designed
around activities**
