Hello and my apologies for this late response

I may have made this far more complicated that you need/is helpful.

Please let me know if you want me to keep going with my feedback on individual items or am I too late/have I lost the plot? I think there are 5 to go s 22 You already have s 47F feedback which may suffice.

General feedback

The lay summaries are great. Thank you. s 47C, s 47E
