# Testing is available for everyone

Testing is available for everyone, even if you're not an Australian citizen or permanent resident.

This includes overseas visitors and students, migrant workers and asylum seekers.

You don't need a Medicare card. Your results will not affect your visa status.

To find a free testing clinic near you, call the National Coronavirus Helpline on 1800 020 080. For translating and interpreting services call 131 450
