Dear Brendan

How are things going? Please ring for a chat.

Also please pass on this message to the Health Minister from a nurse I have never met.

I have messages from anaethetists stating that orthopods are doing all day lists this Saturday and Sunday doing hips. A Brisbane private hospital has been reported to be calling in bariatric patients for extra weekend lists to beat the freeze. It is immoral and the Prime Minister is responsible and must again reverse his decision.

Private hospitals are ramping up surgery to make money.

Kind regards
