Hi s22 ,

Thanks for this. Brendan has reviewed and is fine with the CMO Statement.

Can I you please confirm ARPANSA has reviewed and are comfortable with it?

Given there might be media interest, we were thinking we would aim to publish after Brendan is back from leave in mid-January if that is ok with you?

In the meantime, could you please:

- Run the CMO statement by the Office and confirm they're comfortable with Brendan doing the statement and the proposed publishing date
- Start working on talking points to support Brendan and the MO around the time of publishing

Have you been in touch with AMTA? If not, Brendan wanted me to write back to them providing them a copy as a courtesy and letting them know we plan to publish mid-Jan, pending MO consideration.

Welcome your thoughts.

Kind regards,

s22

Hi s 22

As discussed, please find attached the FAS cleared draft statement for Brendan on 5G and health.

I have also reattached the original letter from AMTA for you as background.

Happy to discuss.

Cheers,

Of course.
There is no hurry
Would be good to join together the processes
Perhaps if team can get back to AMTA and outline a strategy

Hi Brendan

Yes we can look into this for you – s 47C

In light of this I have sought advice from s22 and s22 as to the interest for a joint media announcement from either Minister Hunt or Minister Colbeck with Minister Fletcher. I think we could hold off on a decision on your statement until I hear back from the office, if that is okay with you?

I am happy to consider making a CMO statement on this, it would be useful
Can the team liaise with them and ARPANSA and set something up, unless anyone thinks it is a bad idea.
