

ACCREDITATION STATUS REPORT

as at November 2020

* Indicates that accreditation period has been extended.

The May 2020 update of the Accreditation Status Report reflected the extension of 12 months to the accreditation expiry dates for all Services/SCUs due to the impact of COVID-19.

Indicates specifically revised accreditation dates for Services where the end date should align with the fourth anniversary of the end of the month in which the accreditation was granted.
