Dear Colleagues – looking forward to catching up with you all in April!  
May I just clarify whether the June workshop suggested below is the strategy workshop we agreed to schedule (planned for March originally) that will help set the priorities for funding for the Mission going forward?

Will this give us enough time to implement these recommendations before we have to announce/distribute the next tranche of funding?

Thanks for clarifying

Frances

**Subject:** RE: Million Minds Mission Advisory Panel Meeting - Hold Date - 11 April 2019  
[SEC=UNCLASSIFIED]

Good afternoon Professor Wade and Advisory Panel members

Thank you for your email, you raise a good question. The 2 May 2019 date put forward previously is no longer relevant and can be removed from your calendars. Our envisaged timeline of activities for the Million Minds Mission Advisory Panel is outlined below:

- **March 2019** – Teleconference to discuss/agree to a process for making funding recommendations to the Minister;
- *10 April 2019 (TBC) – National Health and Medical Research Council to forward ranked applications list to Advisory Panel and Department of Health;*
- **11 April 2019** – Advisory Panel meeting to make funding recommendations to the Minister;
- **June 2019** – Workshop to help identify critical and emerging priorities;
- **July 2019** – Advisory Panel meeting to discuss and agree on critical and emerging priorities for the Mission;

The Mission's secretariat is working to finalise dates, agendas, and programs for the above. You will note that things are going to be very tight in April – hence our desire for this date to be saved. Should any of the above change we will be in touch.

If you have any questions or concerns, please do not hesitate to contact me.

Kind regards

s22

Hello s22

Thanks for that information – is this in addition to, or instead of, the meeting I had pencilled in for 2<sup>nd</sup> May?
