Dear s22 , Pl. see below.

I have been invited to speak to AMRAB re: Million Minds next Tuesday in Canberra.

Helen also received the invitation and I do not know if she can make it. I will be in Canberra and can make it.

Could you pl. provide me with a brief note on the chronological history of our meetings and decisions and the documents so that I can portray the MMM appropriately.

Also, if I could get a brief view of the spend out over the next few years, if we know the number of applications to the MM etc. it would be most helpful.

Do call if you need any more information.

Subject: MRFF Missions + AMRAB - MEETING REQUEST 26 Feb 1200 (AEDT) [SEC=UNCLASSIFIED]
HI all -

As part of the upcoming Australian Medical Research Advisory Board meeting an agenda item has been included to provide an update on all the current Mission's under the MRFF. As chairs of the Australian Brain Cancer Mission and Million Minds Mental Health Research Mission expert advisory groups, I would like to invite you join us for a discussion on MRFF Missions.

The meeting is being held on:

Tuesday 26 February 2019

QT Canberra

The Mission item will be running from approximately **12.00pm – 1.00pm (AEDT)** – if you are in town, you are most welcome to join us, otherwise we will arrange either a tele/video conference (arrangements to be confirmed).

The discussion will be informal, basically where the Missions are up to, challenges and opportunities and how to enhance linkages with AMRAB governance.

Please let us know if you are able join in ... Cheers, EK
