Many thanks again, s22

All looks good. I've incorporated some of the comments in the text and I've added a few additional points (tracked and a key one highlighted).

Please could you arrange for final review by early on Friday ?

Happy to discuss and further thanks,

Hi s22

I have accepted most of the edits and provided further comments on the matters we discussed in track changes.

Kind regards

Hi s22

Can we please land the Standard first and then discuss an approach to the Health website with the working group next Tuesday ? The WG members will be particularly sensitive to the customer advice, because it will impact on their staff. Happy to put on WG agenda ..?

Happy for you to share standard with your comms team on that basis.

Happy to discuss

Hi s22

One other thing I meant to mention, is our Comms team has drafted an article for our website re advice for supermarket employees and customers. Are you happy for me to send her the draft common standards to ensure she is on the same page?

I will also ask her to share the draft with you and try to synchronise the timing of the release

Kind regards

Thanks s22

Happy to wait for further advice on the highlighted points below. Will pick up the points below, though we'll leave supermarkets to manage their messaging with staff.

Hi s22

I note s22 is working from home and may not see this for a while. I've made a few comments.

Regards,

Gary

Hi s22

The supermarkets' draft Safety standard has arrived. The main areas needing further clarification are highlighted below. I can see that you are marked as 'busy' this afternoon so I will advise this may not be possible, but please let me know if things change.

Please note we've been asked for rapid turnaround, so we can circulate before the Safety WG meeting at 15:30 hrs. I can see that you are marked as 'busy' this afternoon so I will advise this may not be possible, but please let me know if things change or someone else can help.

Kind regards
