### **Grants for sporting infrastructure**

[Barrier Daily Truth, General News, 07/08/18, Mark Coulton, page 6](#)

I encourage local sporting groups in the Parkes electorate to apply for funding available through a national grant program that will boost community sporting infrastructure. The \$29.7 million Community Sport Infrastructure grant program was recently launched by Federal Sports Minister Bridget McKenzie.

### **Prime7 North Coast, Prime Local News, 07/08/18, Madelaine Collingnon**

The Federal Government is urging sporting clubs across Australia to apply for a grant of up to \$500,000. Nationals Deputy Leader Bridget McKenzie says at least \$30 million will be available for community infrastructure grants. Page MP Kevin Hogan says the Northern Rivers will be holding some major hockey events later this year. The Australian Masters tournament will be held in September.
