

The Hon Jason Wood MP
Assistant Minister for Customs, Community Safety and Multicultural Affairs
Member for La Trobe
PO Box 539
BERWICK VIC 3806

Dear Assistant Minister

I am writing to provide an update on the projects that the Australian Government will be delivering in your seat of La Trobe.

The Beaconsfield Netball Club is no longer being funded \$20,000 for an LED scoreboard under this program, as it has been funded through another program.

In total, there will now be 11 projects delivered valued at \$4.11 million.

The funding for these projects will implement the election commitments made by the Government as part of the 2019 election. These projects will provide practical support to sporting activities in your electorate and be of real benefit to the community.

Attachment A outlines the specific projects that will continue to be administered by the Department of Health. Should you have any questions, please contact my Sports Adviser, s 22 via email at: s 22 or my Backbench Liaison, s 22 at: s 22

I look forward to working with you in delivering these election commitments in full.

Yours sincerely

Richard Colbeck
