MB19-003923

Date Sent to MO: 16/09/19

MINISTER: Richard Colbeck

Issue: CSI Grants - Roselea Football Club

Response:

The Australian Government's recent election commitment to fund a Female Facilities and Water Safety Program, has recently transferred delivery of grant funding from the Department of Infrastructure, Transport, Cities and Regional Development to the Department of Health.

Included in this transfer is the Roselea Football Club, Carlingford Oval redevelopment project.

A ministerial submission (MS19-900215) has been prepared for Minister Colbeck that includes a proposed letter to organisations to confirm grant funding and request further information from organisations to facilitate the delivery of funding that will be administered by the Department of Health.
