**Issues:**

1. The Prime Minister wrote to you on 22 August 2019, regarding the transfer of responsibility and associated administered funding for two infrastructure programs from the Infrastructure portfolio to the Health portfolio. The programs transferring are the FFWSS program, with associated administered funding of \$150 million, **s22**

2. The FFWSS program has identified 47 projects valued at \$139.23 million (Attachment B). The remaining \$10.77 million (of the \$150 million) is to be settled at a later date with the Prime Minister's Office.

**s22**

**s42**

5. The Department will implement the grants as per the grants administration process which will include conducting organisational risk and financial viability assessments for new funding recipients.

6. Draft letters have been developed for you to send to grant recipients advising of the FFWSS **s 22** transfer to the Department of Health (Attachment D and E). You are being asked to sign one of two letters depending on the grant recipient.

7. Attachment D relates to the FFWSS program and asks grant recipients (47) to provide simple information to facilitate the grant process.

**s22**

9. In addition, you are being asked to sign a letter at Attachment F to relevant Members of Parliament advising them of the funding in their electorate.

### **Background:**

The FFWSS program was jointly announced by the Prime Minister and former Minister for Sport, Senator Bridget McKenzie in the 2019-20 Budget.

Grant recipients are identified in Attachments B and C.

### **Budget/Financial Implications:**

The transfer of the administered funding from the Infrastructure portfolio is within Budget Bill 3 so will not be received by the department until Additional Estimates, in early 2020. The Department will make arrangements to fund recipients earlier, in anticipation of funds transferring into the Health Portfolio from Department of Infrastructure, Transport and Regional Services.

Detailed costings, including annual splits by project, are being sought from the Department of Infrastructure, Transport and Regional Services for the \$150 million FFWSS program. It is understood that the funding is profiled \$20m, \$40m, \$40m and \$50m from 2019-20. s22

### **Timeframes**

The below table shows the estimated timeframes for the delivery of both programs. The timing of contract execution is contingent on when grant recipients return their information.

Minister writes to grant recipients	16 September 2019
Recipients lodge project details (one month)	16 September - 14 October 2019
Department establishes grant agreements	21 October - 29 November 2019
Offer, Execution and payments to grant recipients	2 December 2019 - 31 January 2020

### **Relevance to Election Commitments / Budget Measures:**

The FFWSS program was a 2019-20 Budget Measure. Ms22

### **Sensitivities:**

s22

he funding recipients

for the FFWSS program have not yet been notified.

### **Consultations:**

Department of Prime Minister and Cabinet and Department of Infrastructure, Transport, Cities and Regional Development. Population Health and Sport Division.

### **Compliance with Commonwealth Grant Rules and Guidelines:**

The proposed expenditure is a 'grant' for the purposes of the CGRGs and is in accordance with the Department of Finances' guidance.

Consistent with section 71 of the *Public Governance, Performance and Accountability Act 2013* (PGPA Act) you must not approve a grant unless, after reasonable enquiry, you are satisfied that these grants would be a proper use of relevant money.

Should you provide approval for the expenditure of FFWSS <sup>s 22</sup> the Secretary or their delegate, will approve the commitment of relevant money under s23 (3) of the PGPA Act and enter into the arrangement pursuant to s23 (1) of the PGPA Act or s32B of the *Financial Framework (Supplementary Powers) Act 1997* (and 32C if applicable) as the case requires.

The Department is responsible for ensuring forward year commitments are recorded in accordance with the PGPA Act. The Department will record any applicable amounts if you approve the grant/s recommended in this brief.

**Regulatory Burden Implications and/or Deregulation Opportunities:** Not applicable

CANBERRA ACT 2600

Dear Minister

A handwritten signature in dark ink, appearing to read 'Richard Colbeck', written over the typed name 'Richard Colbeck'.

The Deputy Prime Minister and Minister for Infrastructure, Transport and Regional Development, the Hon Michael McCormack MP, wrote to me on 20 June 2019 regarding the transfer of the Community Sport Infrastructure – Female Facilities and Water Safety Stream program (the program) from his Department to the Department of Health.

I have agreed to transfer responsibility for the program and associated administered funding of \$150 million to the Health portfolio, with you as the responsible Minister. I ask that you deliver the projects identified at Attachment A, totalling \$139.23 million, under the program. Arrangements for the remaining \$10.77 million will be settled at a later date, with my Office.

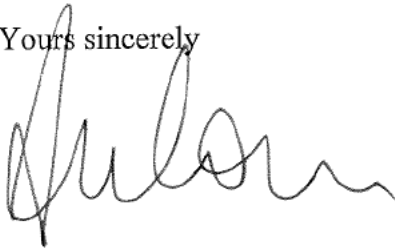

I ask that your portfolio work with the Department of Infrastructure, Transport, Cities and Regional Development to ensure delivery of the program does not duplicate the purpose or outcomes of existing programs.

s22

This letter and your incoming correspondence from 20 June 2019 will be submitted to the Cabinet at a forthcoming meeting.

I have provided a copy of this letter to the Deputy Prime Minister, the Hon Michael McCormack MP, the Treasurer, the Hon Josh Frydenberg MP, the Minister for Finance, Senator the Hon Matthias Cormann and the Minister for Health, the Hon Greg Hunt MP.

Yours sincerely
