COVID-19 VACCINATION

Disability provider alert

Special Announcement – 26 August 2021

1 September 2021 – register now!

Webinar for people with intellectual disability

The graphic is a rectangular box with a light blue border. In the top left corner is the Australian Government Department of Health logo. The main text is in orange: "Getting your vaccine: information for people with intellectual disability". To the right is an illustration of a blue vaccine bottle with a white checkmark and the text "COVID-19 VACCINE". At the bottom, in small blue text, it says "The webinar will be hosted by the Department of Health with support from Inclusion Australia".

Discussing COVID-19 vaccination will be **Professor Nick Lennox**, Senior Medical Advisor for Disability & Health at the Department of Health and **Tara Elliffe**, a self-advocate from NSW who has had a Covid jab. Tara will talk about her experience and why getting the jab was important to her. A staff member from **Inclusion Australia** will also help with questions and other things.

The purpose of the meeting is to discuss the importance of getting a COVID-19 vaccine and answer questions from people with intellectual disability and supporters.

An Auslan interpreter and live captioning will be available during the meeting.
