44441

Based on data from the Australia Immunisation Register as at 11:59pm 02-Sep-2021

Administration state indicates the state where a vaccine was administered.

Residential state may differ from the state where a vaccine was administered.

Overall dose counts includes instances of more than two doses per person in a small number of cases.

National population will not equal the sum of listed jurisdictions /age groups / sex due to a small number of people counted in national population residing in some 'other' territories, or due to incomplete or missing demographic information
