

Protect **yourself** and your **baby** by getting vaccinated

The Comirnaty (Pfizer) and Spikevax (Moderna) COVID-19 vaccines are free and recommended for pregnant and breastfeeding women.

Women can receive the vaccine at any stage of pregnancy.

Talk to your doctor about what is right for you.
For more information and to book your vaccination visit australia.gov.au or call 1800 020 080.

For interpreting services, call 131 450.
