Source: Linkage between National Disability Insurance Agency data, NDIS Quality and Safeguards Commission data and the Australian Immunisation Register.

Following ongoing work by Services Australia to improve data matching between Medicare, the Australian Immunisation Register and National Disability Insurance Agency records, improvements to data reporting have been applied from 7 October 2021. These have resulted in a one off increase in reported numbers to include participants who were previously not accurately data matched.

<sup>\*\*</sup> Shared accommodation means two or more people with disability living in shared residential accommodation and NDIS participants living in Residential Aged Care accommodation as per the eligibility criteria of Phase 1a.
