Hi s47F

Thank you for your various bits of advice throughout the week. Please find below a few updates and questions from Post regarding the Minister's visit.

**Program**

We have reached out to all the interlocutors listed in the bilateral meeting table and are in the process of arranging those meetings (thank you for your assistance providing some of the contacts). From next week onwards, we will provide you with a draft program to give you an idea of what has been locked in.

The Offices of Minister's Tamura (Minister for Health, Labour and Welfare – responsible for aged care services and seniors); s22

s22 have asked whether we could provide a specific list of topics that we would like to discuss in the meetings. We have provided a broad response based on Minister Colbeck's responsibilities, but would be grateful for any detail you could provide.

**Gifts**

As we are arranging bilateral meetings, we were wondering if you had given any thought to whether the Minister would be bringing gifts to present to his counterparts, and/or whether he would like Tokyo Post to help make some suggestions – of course this would depend on which meetings we secure, but wanted to get the ball rolling on this just in case.

[Can you please provide suggestions and I will also seek advice from the Minister and Dept.](#)

As always, please let me know if you have any questions. Hope you have a great weekend!

Best wishes,

s47F
