Hi s47F

Thanks for the quick feedback. We will seek the calls as advised.

Regarding the briefing, we will let you know once the meetings are confirmed. I suspect your team would be more attuned to the Minister's priorities and therefore be better informed to lead the briefing for the meetings. We would, of course, be happy to provide and contribute where

we can (including providing domestic insights, background and bios for Japanese ministers, etc.). How does that sound?

Thanks and best wishes,

s47F

Dear s47
F

Thank you for your email and for sharing the list of suggested meetings. I'm just cc'ing s47F here as well so that we are all on the same page.

Due to all the different moving parts of the Minister's program, and with additional complexities caused by COVID; the requirement for TOCOG to approve the program; and the various IOC/Olympics components as well, Tokyo Post would be happy to take the lead and coordinate the Minister's meetings (based on yours and s47F advice) – s47F (cc'd) and I will lead on the Minister's bilateral program.

We will make enquiries based on the list you have just shared with us. A few questions/comments regarding your list:

s22

- We are also seeking meetings with Minister Tamura Norihisa, Japan's Minister for Health, Labour and Welfare, whose portfolio covers aged care services; and Minister Kono Taro, responsible for Japan's COVID vaccine rollout.

Thanks and best wishes,

s47F

Dear s47F

Hope you are well. I wanted to touch base and check the status of meeting arrangements for the Minister's trip to Tokyo.

s47F has provided some additional suggestions in the attached list to consider for meetings, which we can assist with s22

. We really appreciate your assistance in advising what's possible (given the COVID-19 restrictions) and coordinating the itinerary/meeting options with the Ministers Office.

s22

Look forward to hearing from you.

Kind regards,
