Dear s47F

Please find attached the Program for the Minister that we have been working.

We have put it together as an 'ideal program' at the moment – assuming that we receive positive responses from all the meetings we have requested, and that all the timing fits. The reality however, is that there are still many moving parts and many of the bilateral meetings (and even whether counterparts will be in Tokyo at the right time) are yet to be confirmed.

Best wishes,
