

Australian Government

How can I get up-to-date with my COVID-19 vaccinations?

All aged care workers have access to priority COVID-19 vaccination appointments.

Priority appointments are available at:

- General practices
- Pharmacies
- State and territory - vaccination clinics

If you have questions about getting your COVID-19 vaccination, please call the dedicated Helpline on **1800 020 080** and select **option 4** at any time.
