*National population will not equal sum of listed jurisdictions due to a small number of people counted in national population residing in some 'other' territories. Sum of state doses will not add to national total as some records are unable to be geocoded to a State or Territory.
Doses sourced from Australian Immunisation Register, population from ABS ERP June 2020

Vaccinations by location

Cumulative total doses administered vs eligible state populations*

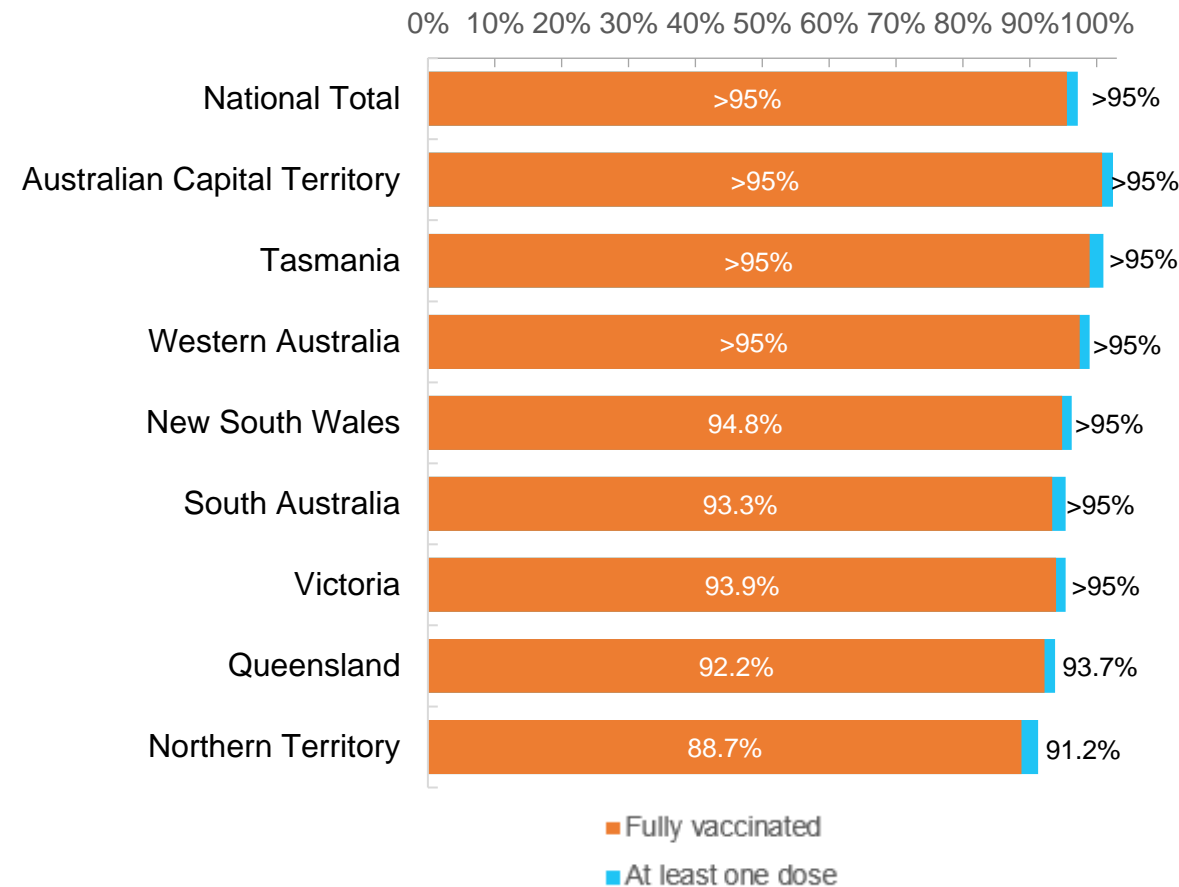

*Not an indication of percentage vaccinated, numbers will exceed 100 due to multiple doses required per person of the population. All doses are included for those aged 12 and above, and are based on vaccination provider location.
