I just wanted to touch base with you on planning for this.

Are you able to provide a couple of options on days and times that would work for a briefing when sitting resumes on 3 August? We can then lock in the CMO and JJ to provide the briefing.

Thanks

Hi s 47F

Operation COVID Shield extended an offer to the opposition a vaccine briefing when sitting resumes – in line with the MP briefing conducted several weeks ago.

Mr Albanese's office have today and indicated that Mr Albanese has availability on **2 August from 9.30 to 10 am**. Both JJ and Acting CMO Michael Kidd are able to attend.

Would the MO prefer to manage arrangements with Mr Albanese's office not they have advice OCS of availability? I can respond to them saying Michael and JJ are available and Minister Hunt's office will coordinate with them?

Thanks

Good morning,

Mr Albanese has a teleconference at 10 so the 9.45 start would not allow sufficient time for a briefing with the Taskforce.

I will reach out to the Shadow Minister's office and find another option.

I agree that an online briefing would be best given the current restrictions.

Morning s 47F - How about 9.45am this morning.

Given the restrictions on APH visitors we would prefer to do the briefing via webex or other online option.

Let me know if that works and we will send an invite.
