1. Welcome

Attendees NOTED:

- Welcome and apologies (Tom Snelling, Kristy Cooper)
- Acknowledgment of country
- No new declarations of interest.

2. Presentation on Australian TTS Cases

Attendees:

- NOTED a presentation on Australian Thrombosis with Thrombocytopenia Syndrome (TTS) cases from the Therapeutic Goods Administration (TGA)
- DISCUSSED TTS outcome including risk of death and morbidity
- DISCUSSED classification and tiers including a need to simply explain to consumers the potential outcomes of TTS
- NOTED a presentation from National Centre for Immunisation Research and Surveillance (NCIRS) on vaccine coverage

- NOTED an update on estimations of COVID-19 vaccine supply from the COVID-19 Vaccine Taskforce
- NOTED supply increases would enable ramp up of GPs offering Comirnaty from July.

s47C, s47E(d)

This document was released under the Freedom of Information Act 1982

4. Next steps

ATAGI members:

- AGREED to change the age recommendation for COVID-19 Vaccine AstraZeneca to indicate that Pfizer is the preferred vaccine for people under 60 years of age (Attachment A).
- NOTED ATAGI's recommendations would be refined and confirmed at ATAGI Meeting #81 (17 June 2021) as the first agenda item and provided to Government following endorsement.
- This change would be rapidly communicated by the Government.

This document was released under the Freedom of Information Act 1982
