3. Background

This product was first listed on the SAS Schedule in April 2016.

4. Financial Analysis

Listing an additional 2 variants under the current SAS Code 80037L is unlikely to have a budgetary impact for the SAS.

5. SPAP Recommendation

The Panel recommended the addition of 2 variants to the current product range for Coloplast SenSura Mio 1 Piece Soft Convexity Closed (SAS Code 80037L) listed in subgroup 1(c) of the SAS Schedule at the unit price of \$4.707 which includes a price premium of \$0.274 per unit, with a maximum monthly quantity of 60 units. The product codes to be added under SAS Code 80037L are 13684 and 13685.

6. Context for Recommendation

The Panel provides advice on whether stoma products should be subsidised and, if so, the conditions of their subsidisation in Australia. Applications are considered in this context.

CT#06APR2022

Panel advice not to recommend listing or changes to a listing does not represent a final Panel view about the merits of a particular stoma product. A company can resubmit to the Panel following advice not to recommend listing or changes to a listing. The Panel is an advisory committee and as such its recommendations are non-binding on Government. All Panel recommendations are subject to Government approval.

7. Applicant's Comment

The applicant noted the SPAP recommendation.
