

## Public summary document

**Product:** Omnigon BBraun Flexima Active

**Applicant:** Omnigon Australia Pty Ltd

**Date of Meeting:** 26 April 2022

### **1. Proposed Variation on the Stoma Appliance Scheme**

The applicant, Omnigon, sought a change in description of 2 variants to the current listing of the Omnigon BBraun Flexima Active (SAS Code 80142B) in subgroup 2(b) of the Stoma Appliance Scheme (SAS) Schedule. The product, including 8 variants, is currently listed at a unit price of \$6.373, with a maximum monthly quantity of 30 units.

### **2. Reason for variation**

The applicant requested a change in product description for 2 products listed on the existing product range for Omnigon BBraun Flexima Active (SAS Code 80142B) under company codes 4622716 and 4622717, to include a description of the product cover.

### **3. Background**

This product was first listed on the SAS Schedule in May 2017.

### **4. Financial Analysis**

This variation is unlikely to have a budgetary impact for the SAS as the variation is only to the product descriptions for 2 variants listed under the current SAS Code 80142B.

### **5. SPAP Recommendation**

The Panel deferred the application at the April 2022 meeting. The Panel requested further information to clarify the intent of the application.

### **6. Context for Recommendation**

The Panel provides advice on whether stoma products should be subsidised and, if so, the conditions of their subsidisation in Australia. Applications are considered in this context. Panel advice not to recommend listing or changes to a listing does not represent a final Panel view about the merits of a particular stoma product. A company can resubmit to the Panel following advice not to recommend listing or changes to a listing. The Panel is an advisory committee and as such its recommendations are non-binding on Government. All Panel recommendations are subject to Government approval.

### **7. Addendum**

The applicant, Omnigon, provided additional information for this application as sought by the Panel and subsequently the Panel recommended the application to change the product description for current listing of Omnigon BBraun Flexima Active (SAS Code 80142B) in subgroup 2(b) of the SAS Schedule at the unit price of \$6.373, with a maximum monthly quantity of 30 units. The product codes to be amended under the SAS Code 80142B are 4622716 and 4622717.

### **8. Applicant's Comment**

The applicant noted the SPAP recommendation.
