# Digital Transformation

# Sector Partners

## Agenda

- Welcome & introductions
- State of Play
- UX Co-Design: Outcomes
- Services Australia Conformance process
- API Co-Design: B2G Preview of Developer Portal
- Intro: Quarterly Financial Reporting
- Q&A / Next steps

## Discussion Highlights

### State of Play

- Latest Teck Talk recording (from 26 July 2022) is LIVE on the Health website
- Next Teck Talk is planned for 6 Sept, 2pm
- Link to the registration page will be on the Sector Partners' SharePoint page.

### UX Co-Design: Outcomes

- Update provided on GPMS Co-Design Roadmap
- Team will continue analysing findings for potential design improvements, as well as synthesising and prioritising insights from all three sprints
- Previewed snippets and highlights of UX Interview video
- Shared sprint finding highlights

### Conformance Process

- Currently in discovery phase which includes understanding what conformance processes are in place in other agencies
- Last meeting ADHA presented, and this meeting Services Australia provided a conformance process walkthrough – including for:
  - NOC – Purpose and test plan
  - NOI – testing

### API Co-Design: B2G Preview of Developer Portal

- Previewed latest Developer Portal prototype - showcasing how the co-design feedback will be used
- Touched on API Version Control model
- Plan: New co-design activity to be launched on the SharePoint site with the proposed, first list of APIs (in priority order) – this will be played back to group at the next meeting
- New project over: Quarterly Financial Reporting (OFR) scope and intent was introduced with the intent of setting foundational information for future co-design activities

### Key outcomes & Actions

- REMINDER: Watch conformance video on the *Sector Partners site > Resources* page
- OPEN INVITE: Still time to apply for B2G co-design activity (scheduled for late August)
- Further discussion required with Services Australia to understand how an organisation registers (as opposed to a developer)

Client-Centred
Co-Design

- REMINDER: Register for the next Tech Talk and promote event with local networks

## Next Meeting

11am, 2 September 2022
