Discussion Highlights

State of Play

- Agreed (as a group) to record the Sector Partner meetings for secretariat purposes only
- Thanked John Perkins (Sector Partner) for representing the group at the last Tech Talk
- Shared findings of the Sector Partners Pulse Check poll – including overall satisfaction rating of 4.2 / 5
- Noted Tech Talk recording (from 26 July 2022) will soon be published on the Health website
- Presented overview of Aged Care legislative amendment bills

UX Co-Design: Update and Findings

- Previewed preliminary findings from second and third Government Provider Management System (GPMS) co-design sprints
- Shared GPMS progress and timeline

API Co-Design: Projects Up Next & B2G Preview

- Highlighted upcoming UX co-design project streams:
 - Quarterly Financial Report (QFR)
 - Star Ratings and Quality Indicators
- Previewed the Aged Care Design System (a central repository to synchronise design components and development activity across project streams)
- Provided updates and analysis from recent co-design workshops, with overwhelmingly good feedback on the collaboration tools used
- Presented B2G progress and timeline, and welcomed additional feedback

Discussion: Conformance

- Provided an overview of conformance outcomes being sought by Health – including solutions that consider the Whole-of-Government context
- Provided an overview of ADHA approach (presented by ADHA) and a high-level picture of Services Australia conformance approach (with a more detailed presentation scheduled for the next meeting)

Key Outcomes & Actions

- **DECISION:** Sessions will now be recorded for secretariat purposes only
- **OPEN INVITE:** B2G co-design activity - Quality Indicators workshop
- **ACTION:** Provide feedback on Conformance video on Sector Partners site > Resources page
- Next mtg: Conformance Update by Services Australia
