In regards to **Capital Works**: I rang NSW Health who informed me that no advice has been provided to Katungul confirming either their funding commitment or OATSIH's. According to **s47F** the process involves advice of funding approval via the issuing of a Funding Performance Agreement. The FPA will most likely be issued in mid Sept following the acceptance of the Functional Brief.

On another but related matter - do you know if NSW Health has yet announced the joint

s22

Commonwealth/State (capital works) funding for Katungul's new building?
cheers
