- The Department contributed capital funding of \$2 million towards the construction of a new health clinic for Katungal Aboriginal Corporation Community & Medical Services in Narooma, NSW. The total cost of the project is \$5 million with NSW Health putting in \$2 million and Katungal \$1 million. This project is expected to be completed by June 2012.

- Katungul has raised a wide range of issues with the Department over the last five years. These concerns have included levels of funding, the need for capital improvement for the Narooma clinic and services to the Wallaga Lake community.
