

Sector Partners

Meeting: 11 | Meeting date: 14/10/2022

Agenda

- Welcome & Introductions
- Open Activities
- State of Play
- B2G Update
- API Services Catalogue: B2G co-design activity
- Q&A / Next Steps

Discussion Highlights

State of Play

- Recap: Review of co-design activity status
- Reminder:
 - Volunteers needed to help with upcoming QFR co-design initiatives (open until Friday, October 21, 2022)
 - API co-design remains a top priority; sharing API pain points priorities are still encouraged

B2G Update

- Recap: High-level overview of the B2G milestones achieved over the last few months
 - The alpha release of Quality Indicators (QI) into Health's 'software verification test' environment was a recent highlight
 - This will be the first publicly accessible API co-development test environment

API: Co-Design: B2G API Catalogue

- Deep Dive: B2G API Catalogue and constructing our foundations

Key Outcomes & Actions

- REMINDER: Next Tech Talk public webinar is on Tuesday, 25 October 2022; a link to register has been added to *Sector Partners SharePoint* site
- REMINDER: QFR & B2G activities are still open – details on the Sector Partners site

Next Meeting

11am, 11 November 2022
